

STATISTICS OLYMPIAD –2018

Organized by

P.G. Department of Statistics, Utkal University & Utkal Statistics Alumni Association (USAA)

As a subject, Statistics is emerging with infinite opportunities. The importance of Statistics for data analysis is very well recognized by all the disciplines for discovering useful information and there by supporting decision making. Statistical applications are now being used as a day-to-day tool for data storage and analysis, modelling etc. The Statistician has bright job prospects in both government and private sector. To ignite appreciation in young minds of Odisha, The P. G. Department of Statistics, Utkal University and Utkal Statistics Alumni Association (USAA) are jointly organizing 'Statistics Olympiad-2018' a competition among +2 students of our state.
