

STATISTICS OLYMPIAD –2025

Organized by

Department of Statistics, Utkal University & Utkal Statistics Alumni Association (USAA)

As a subject, Statistics is emerging with infinite opportunities. The importance of Statistics for data analysis is widely recognized across disciplines for uncovering useful information and supporting decision-making. Statistical applications have become essential tools for data storage and analysis and modeling in day-to-day activities. The Statisticians have bright job prospects in both government and private sector. To instill appreciation in young minds about the value of Statistics, The Department of Statistics, Utkal University and Utkal Statistics Alumni Association (USAA) are jointly organizing 'Statistics Olympiad-2025' a competition among +2 students of Odisha.
